

I agree to have my water bill drafted between the 10th – 13th of every month by the City of Lakeside City. If I decide to cancel this service, I will notify the City in writing by the 1st day of the month before the draft on the 10th. If the draft comes back insufficient, a \$25.00 fee will be applied to my water account and I will have 5 business days to pay my bill and the fee in cash.
